TVMGA

SPECIAL MEETING ON THURSDAY, OCTOBER 1, 2026 JUST PRIOR TO THE INDIVIDUAL LOW NET EVENT AT TOQUA GC

Dear Tellico Village MGA Members,
Important Proposed Bylaw Updates

- Over the past several years, our association has grown, and technology has made it easier to connect and manage our operations. To reflect how we function today and make participation more accessible for everyone, the Board of Directors is proposing updates to **Article IX** (Amendments) and **Article XII** (**Election of Board of Directors**) of the TVMGA Bylaws.
- **Summary of Proposed Changes:**

* **Electronic Voting for Board Elections** (e.g., via Google Forms)

* **Flexible Voting on Bylaw Amendments** (online or in person)

* **Digital Notice & Communication**

Why These Changes Matter:

Our primary goal is to ensure every member has an equal, convenient opportunity to vote, regardless of whether they can physically attend.

The full text of the proposed changes has been posted and will be open for review for 30 days prior to the vote.

Thank you for your support!

Best regards,
TVMGA Board of Directors
